

## **Medicare Rx Update: January 24, 2006**

On Tuesday, January 24, the Centers for Medicare and Medicaid Services hosted a call to discuss coverage of Medicare Part B drugs as it relates to Medicare Part D. Drugs excluded from coverage under Part D were also discussed. CMS provided an overview of the Medicare Parts B/D Issues (<http://www.cms.hhs.gov/Pharmacy>) and followed by answering questions for over one hour. Due to the extension of the original conference call, the encore presentation will not be available until about 4:00 EST. To access the encore presentation, please call (888) 286-8010. The passcode will be 70165156.

The encore presentation will be available through Sunday, January 29.
